MERRY CHRISTMAS

Chilocco Printing and Art Students Take Field Trip To Okmulgee State Tech School

Recently a group of printing and art students traveled to Okmulgee, Oklahoma to visit Oklahoma State Tech. They arrived at 11 a.m. and met Mr. Carlisle Waugh, the head of the Commercial Art Department. They showed the students through the classes taken by first trimester students in Commercial Art, which included basic drawing, design, and techniques using various materials. The students then had dinner at the Red Door which is operated by the culinary arts department. After lunch the group toured the remainder of the commercial art classes which included, advertisement, layout, photography, corporate images, lettering, and how to prepare the layout for printing. The students were given the opportunity to watch the students and talk with them.

The next department toured was the print shop. The students met with Mr.Bruce Heydenburk, head of the printing department. He took the group through the various stages of learning, through layout, paste-up, stripping, burn a plate, shooting pictures, printing presses, process of running off, color prints, cutting paper, stapling and trimming.

The OST print shop prints all work for the school including teaching materials, yearbooks, publicity, newspapers, match book covers, and sugar packets to name a few, they also print work for the state and individual companies.

Several of the students visited other departments, the book store, and visited with family and friends, attending OST. Those who attended were Doris Fisher, Patti He-Crow, Patricia Johnson, Dorsette Joseph, Michelle Kemble, Patty Leemhuis, Sherry Lewis, JoAnn Little, Gail May, Pam Mopope Rose Newland, Wilma Pewo, Angie Rhodd, Marcie Roy, Jim Beach and Roydaine Wolfe. Sponsors for the trip were Mrs. Wanda Armstrong and Mrs. Sandy Wilson. Mr. James drove the bus for the group.

VERNIS BENTON and FRAN BENNETT share a smile before serving the Thanksgiving dinner. Mrs. Benton is one of the cooks in the kitchen and Mrs. Bennett is the Culinary Arts teacher.

CHRISTMAS TIME FINDS STUDENTS HOMEWARD BOUND

At Christmas time all roads lead home.We seeingly are driven in this direction by an instinct we faintly understand. For many the Christmas time is a time for serious thoughts maybe of memories good or bad, but mainly with the thought that "we are together".

Christmas this year will take on a new meaning for eleven Chilocco students. These students will be graduating on December 22, 1978 so this will be a Christmas gift from them to themselves. The gift cannot be duplicated, returned, traded for a similar one and there is no price tag on it. When they open the gift they will see opportunity, responsibility, maturity and many other things that go along with being a high school graduate. To this group of young adults we wish them many "Merry Christmas's" and success in years to come. To the under graduates and Chilocco staff the wish for them is a "Merry Christmas" a safe trip home and return to Chilocco.

CURRICULUM COMMITTEE STARTS RESEARCH PROJECT

A curriculum Committee has been designated from the Chilocco staff to sssist in developing a guide of cultural materials for use in the Chilocco school program.

This guide will require many hours of material research in the local area, interviewing of resource people and finally composing all this into a published guide. The guide is not intended as an indepth study of all tribes, but rather a start in curriculm development for a Native American Course of study.

This program is being developed in conjunction with the Southwest Center for Human Relations Studies, The University of Oklahoma, Anita Chisholm, Project Specialist.

INDIAN SCHOOL JOURNAL

The INDIAN SCHOOL JOURNAL is published bi-monthly by the Chilocco Indian School. Its purpose is to serve the student body as a newspaper where school events are recorded and news items are published.

Its views reflect the student body in general and do not reflect administration policies.

The price of the JOURNAL is fifty-cents per volume, October to May inclusive.

EDITORIAL

By Wilma Pewo

Well, this is the time of the year when we must say "So long" to our best of friends. But at Christmas time each year you could say, "See you next year", in hope of returning to Chilocco and seeing them again!

For many of us this past fall semester went by fast. It seemed like it was only yesterday when we were enrolling for this term.

To me and maybe to some of you it was a good year. Although, some of us had our ups and downs we can say that we had accomplished much. Chilocco is the place to get your high school education! For it is here where you can learn responsibilities to yourself and to others, your opportunities in going out into this world are greatly increased if you will only take advantage of them.

As a graduate and a fellow human being, I take this opportunity to wish you success in life, have a positive feeling about your future, to be happy in whatever you do. Also, I wish you a very Merry Christmas and many Happy New Years! May God Bless You and Watch Over You!

NEW GIRL

This week's New Girl is Sheryl Simon.She is a Kickapoo Indian from Horton, Kansas. She is 15 years old and stands 5ft. 2in. tall. She has brown eyes and black hair. Her favorite food is Mexican and her favorite drink is coke. She doesn't have a favorite group but her favorite song is "Le Freak". Her favorite past-time is walking around on campus.

BUSY, BUSY, BUSY IS THE KEY WORD FOR THE CHILOCCO PRINTING DEPARTMENT

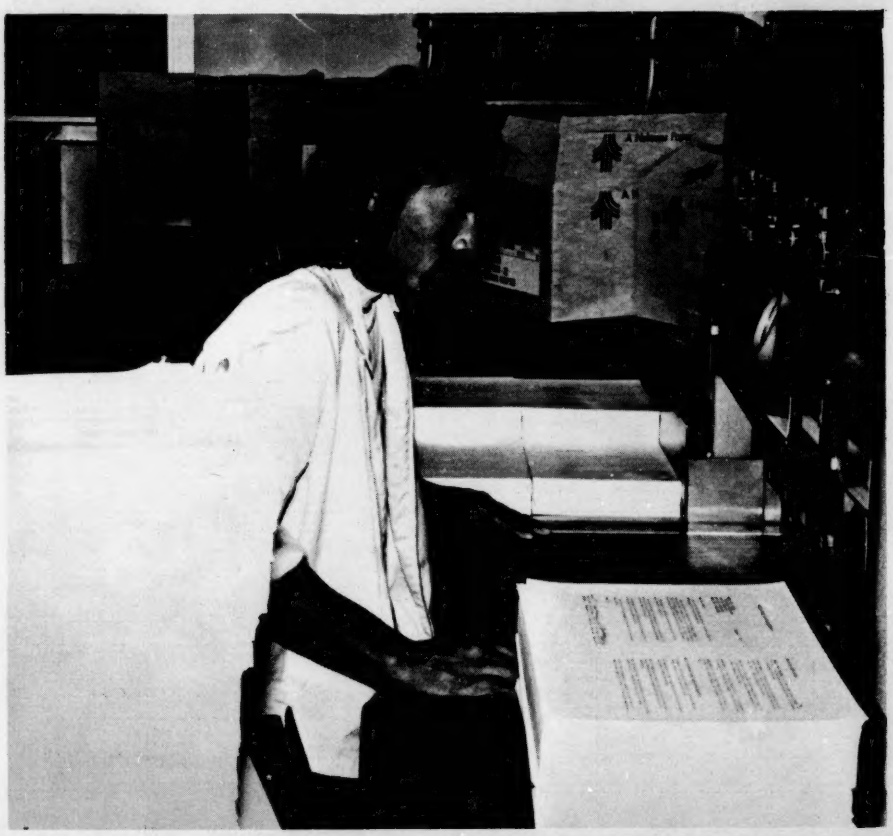
The Chilocco Printing Department has been extremely busy during this semester. One of the largest printing jobs that Chilocco has ever undertaken was started about 4 weeks ago. The Creek Nation needed 280,000 sheets of 8½x11 paper printed for an upcoming election on their Constitution. After printing, the sheets had to be put in booklet form of 7 sheets each and then stapled. The printing part of the job was easy but it required many hours of hard work by many dedicated students to complete the collating and stapling. To add to the burden the work needed to be completed in about 4 weeks. The printing department has been working furiously ever since to meet the deadline. With the cooperation of all the printing students and part time help from other students here at Chilocco we are nearing completion and fully expect to deliver the final booklets on time.

The printing department wishes to recognize the following printing students for their contribution to the class: Patty HeCrow, Winona Willett, Sherry Lewis, Patty Leemhuis, Gail May, Pam Mopope, Cheryl Rhodd, Marty Watkins, Gina LeClair, Rose Newland, Vanessa Roy, Wichita Blaine, Mary Brewer, Doris Fisher, Michele Kemble, Wilma Pewo, Steven Rattler, Joey Watkins, Marcie Roy, Brazia Roy, Pat Johnson and Verna Yellowhair.

The Creek booklets have been only one of many projects completed by the printers this fall. They have done work for most all the BIA schools in Oklahoma, plus printing various jobs for Chilocco.

After the holidays the Chilocco printers will start on the 1978-79 school yearbook. This project usually is a full semester of work. In order to complete the yearbook in the spring the printing students must learn the basic printing fundamentals very well during the fall term. With the amount of work they have completed this fall it is the opinion of the printing instructor that they will have no trouble getting out an excellent yearbook this year.

Finally, from all the Chilocco printers we wish all of you a Merry Christmas and a Happy New Year!



MARTY WATKINS is pictured here cutting the Creek Nation's booklet forms. The automatic paper cutter is one of the various up-dated equipment that the print shop has.

CHERYL RHODD is working on the collater which puts books and other various forms of items together automatically. This collater makes things much easier for the students and helps gets the job done faster.

MR. HARLEY LITTLE and CLAUDE COX, from the Creek Nation, visited the Chilocco Print Shop recently. They picked up the 40,000 booklet form which the Printing students had put together for the Creek Nation's upcoming election on their Constitution.

STUDENT OF THE MONTH

By Patti HeCrow

The Student of the Month of December is, 18 year old Pamela Kaye Mopope. This is Pam's fourth year here at C.I.S., she is a senior. She is of the Caddo, Kiowa, Comanche tribes and is from Anadarko, Oklahoma. Pam stands 5ft. 5½in. and is under the sign of Sagitarrius. She spends her past-time terrorrizing her friends. Her favorite drink is sprite to go along with a burger and french fries. Her favorite song is "Le Freak" and her favorite group is "Foxxy".

Asked what she thinks about Chilocco she said,"After all these years, I seen it change and boy has it changed. I think it's okay if you don't get in trouble. Well, it is a real good school if you come up here to go to school and not go out and drink or fight. I didn't come up here to drink and fight, I came to try and get an education. I know I been in a lot of trouble, the last few years. But I think I have changed for the better. So I really think it is a good school.

Employee of the Month

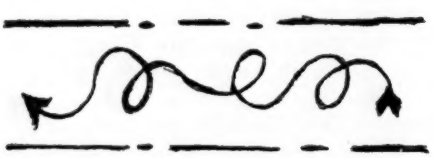
By Wilma Pewo

Mrs. Sandy (Fife) Wilson, Art teacher of Chilocco has been selected as "Employee of the Month" for her participation in being a pep club sponsor and also for her concern for the students.

Sandy was born September 6. Which makes her a Virgo. She attended the Institute of American Indian Arts in Santa Fe, New Mexico. In her college years she attended the College of Santa Fe, Santa Fe, New Mexico and Northeastern Oklahoma State University, Tahlequah, Oklahoma. Sandy has a Bachelor of Arts in Education at NEOSU.

Mrs. Wilson is a Creek Indian. She has been working here at Chilocco for one year. Her favorite food is salad and pork chops and her favorite drink is coffee. Sandy is married to Mr. Al Wilson, also an employee of Chilocco. They have been married for three years.

When asked how she liked Chilocco she said, "Just fine". Sandy's comment on Chilocco was, "This could be a very fine school if all people would work together. Being a boarding school the students should become aware of living outside their natural home. They can learn to care for themselves and share in the responsibility of making decisions for the good of themselves and the rest of the community. We each must think ahead-for our future and the future of others.



Pep Club Honors Seniors

Thursday, December 8, thirteen pep club members and sponsor, Sandy Wilson, had dinner at the El Palacio Restaurant in Ponca City. The dinner was to honor Rosetta Jumper and Wilma Pewo who are first semester graduates. The girls have done a lot of work for the club in support of the athletic program. Rosetta was in charge of the Pep Club poster committee and Wilma was on the decoration committee. They will each be awarded a silver necklace with a megaphone pendant in appreciation of their participation in the C.I.S. Pep Club.

SAGITTARIUS

November 23-December 21
Ruler: Jupiter
Stone: Amethyst
Color: Purple
Flower: Purple Iris

You're born under the sign of honesty and straightforwardness. Most Archers are doers an achievers, love to travel--in thought and/or geographically--and have a great sense of humor. Some of you are athletic, others prefer a good book--but all of you want to go forward and break new ground. you are good talkers (gossips?) and need to exchange ideas with people. Females tend to be free and independent, breaking stereotypes. Just, generous, and idealistic--who wouldn't like you?

This month may find you strangely, in a rather introspective mood. Go slowly, and figure out your goals. Love may seem rather mysterious, but with a rainbow! Come holiday time, you should be in fine shape to celebrate-with full pockets!

CAPRICORN (Dec. 22-Jan. 19): This time of the year should find you full of energy and good health. Your parents should be quite approachable; look for a chance to patch up that quarrel. Whatever you are starting now will probably take some time to complete. Be patient.

AQUARIUS (Jan. 20-Feb. 18): This is a good time for action and introspection. Imagination is high. But your dating life might be up and down, mainly because you expect too much and want to have your own way. Cool it some! Budget your time carefully; don't get frazzled.

PISCES (Feb. 19-Mar. 20): Intellectually and physically, you're probably not at your peak right now. But there are compensations, love shines brightly! You'll get all the emotional support you need. And there should be an unexpected gift, and happy parties.

ARIES (Mar. 21-Apr. 20): Everything's going your way. So work with those good star vibes! You'll be in the spotlight, and it will show off your best qualities! A word of caution: be very considerate of the ones you love, avoid misunderstandings. Otherwise just have fun.

TAURUS (Apr. 21-May 20): The first part of the month may find you tense, probably over some emotional issue. Don't let yourself get unsettled. Your down-to-earth approach and charm will help you rise to the challenge! Come holiday time, you should be on solid ground.

GEMINI (May 21-June 20): Communications with your friends and those closest to you could be tested. Be extra mindful of other people's feelings! Avoid quick, sharp words at all cost. All papers and messages need double-checking. This is a good time for a weekend away.

CANCER (June 21-July 20): For love, friends, and social life, this should be a delightful month. Lots of unexpected nice happenings, no dull moment! You'll probably have to work hard too, but help is never far away. And if you end up with money problems, blame it on your spending, not on the stars!

LEO (July 21-Aug. 21): You have so much going for you now! Home seems to take on an extra meaning. Be prepared for unexpected visitors, funny presents, a person from the past.

VIRGO (Aug. 22-Sept. 22): You could feel grumpy and overworked as the month begins. There seems so much to be done, especially at home. Good teamwork with your mother is important: don't antagonize her. Patience is key now, and for some time to come. Romance comes later.

LIBRA (Sept. 23-Oct. 22): Lots of social comings and goings are the theme for now. Take a breather every so often! And you'll need your proverbial charm to smooth some friends' ruffled feathers. Giving and receiving--not only presents--seem very much on your mind.

SCORPIO (Oct. 23-Nov. 22): You should look your very best this month--yes, deep down you do care! -and you just might attract a very interesting person. Watch your impulse-spending and lending; the financial picture is not too clear. It may not yet show but Scorpios are changing, for the better!

THE STUDENTS here at C.I.S. enjoyed the Thanksgiving dinner which was served on Wednesday before they got out for the Thanksgiving holiday.

C.I.S. ART STUDENTS PLACE AT BACONE

Bacone College held its Third Annual Ai Competition, November 13-17, at Muskogee Oklahoma. The show was open to college and high school students. The categories judged were painting, fine arts; Indian art; sculpture; graphics; and crafts. Fifteen Chilocco students entered art and crafts work. Winnners in the high school division were: Sculpture-1st place-Jim Beach, (Ponca), Michelle Janis, (Sioux); 3rd place-Michelle Kemble, (Ponca), and honorable mention-Carolyn Steeprock, (Ponca-Seneca). Each of these students entered a stone carving done in the white stone native to the Chilocco area. Crafts-1st place-Patti HeCrow (Sioux), Beadwork, 2nd place-Michelle Kemble, (Ponca), coiled basket, 3rd-Angie Rhodd (Ponca), god's eye, and honorable mention to Roydaine Wolfe (Omaha), for a god's eye.

Chilocco took all the sculpture and crafts awards totaling $140.00. In addition to monitary awards the students received ribbons.

Other C.I.S. students entering work were JoAnn Little, Vincent Parker, Wilma Pewo, Jerilyn Quiver, Steven Rattler, Karen Testerman, Marty Watkins and Nelson Webster. Juror for the show was David Williams of Tahlequah, Oklahoma. The work was exhibited in the Bacone College art department gallery.

Pep Club News

Football Fan Of The Year Award

The Pep Club has awarded the 1978 Football Fan Of The Year Award to Heber and Melrose Rattler of Oklahoma City. They are the parents of Steven Rider Rattler, senior defensive nose guard for C.I.S. Mr. and Mrs. Rattler supported the football team the whole season through attending all but one game. The beautiful plague of pine and brass was made in Mr. Lloyd Means' foundry class.

NEW BOY

This week's New Boy is Damian Toyebo. Damian is from the Kiowa Indian tribe from Sacremento, California. He is 17 years old. He has black hair and brown eyes. He was born under the sign of Aquarius. When asked how he liked Chilocco he said, "It's okay".

CREATIVE WRITING

By Steven Rattler

Never as long as you live, can rid your life of disagreeable people, as long as you have the qualities of consciousness which attract them. Eliminate the destructive states of thought and you will no longer have your life made miserable by offensive, obnoxious, and disgusting persons who seemingly live to annoy you and who always misunderstood you.

So you can see how important it is never to express in thought, word or deed, any of the destructive emotions, and to think only thoughts which express the emotions of love truth, faith, gratitude, and praise toward every conditions, every circumstance and every person in your life.

It is the common lot of all to make enemies. The successful man or woman becomes so by virtue of transmitting each enemy into a friend, and mediocre men or woman remain so because they not only make enemies, but keep them as such.

Get the habit of making one new friend each day and putting forth a sincere effort to bind an old one closer to you. However, you cannot do this by gossip, criticism, or passing derogatory remarks about anyone.
